

The Escalante Community Center offers
an Early Childhood Education Program for children ages 3 to 5 years old.
The Program includes organized activities with an emphasis on
developing social, motor and cognitive skills and classroom skills to
kick-start educational success.

Using Federal "gating criteria" [data from the State of Arizona, Maricopa County and with the health of community members and employees in mind], the City of Tempe continues to respond to the coronavirus pandemic. This includes the timing and planning of reopening facilities and restoring services. At this time, Escalante staff and parent(s)/guardian(s) dropping off or picking up their student(s) will be required to wear masks. Students under 5 years of age, will not be required to wear a mask during class time. Please refer to updated City of Tempe Covid-precautions as they become available. Thank you for your cooperation.
